Full of Gratitude for our Fire Departments

Thank you Dickinson Fire Department and Rural Fire Department for all you do for the community and ABLE, Inc. You teach us fire safety, answer important questions, and respond to emergencies. We witnessed the fire that happened with two of our neighbors to the north of our main office, 1951 1st Street. This was one of the first times we witnessed an actual fire. The response TIME and ACTIONS were unbelievably quick and organized! The fire was very quickly subdued saving property and potentially, lives. This could have been a disaster that spread our way. We appreciate all that you do!

The T-Rex Plaza continues to transform. The final major concrete pour happened this fall. Next up, is the south side interior renovation, which will provide more room and opportunities for people supported. We look forward to the day when we can consolidate our locations and enjoy the hub of activity that these renovations promise.

Check out the new Decades space. This is a store that features antiques and higher end items. Looking for furniture? We have it at the T-Rex in the new ABLE Used Furniture store. Need to get into the holiday spirit? On November 1st we opened a holiday store, *ABLE to Celebrate*, in the space recently vacated by the River Church. We could not have done all this without the support of grants, donations and product sales. We are so thankful for those who support our vision! -Mary Anderson

Laura Schmit was the big winner of Minnesota Twins tickets and two night hotel stay at the Big Sticks Unified Softball game on July 9th. On August 14th, she hit the road with Urja Aryal and Hilda Butler for an amazing adventure to Minnesota.

They went to the Mall of America and took in the sights at the aquarium. There were rails throughout the whole aquarium and she was able to walk through it and even pet some animals. The Twins baseball game was the highlight of the trip. Laura really loved seeing all of the people, lights and the loud noise from the Twins fans!

SPORTS ACTION!

It had been a dream for Shawn Orcutt and Randy Wyman to attend an NDSU Bison game in the Fargodome. This dream became a reality last month when they were surprised with a trip!

Shawn said "The best part was taking pictures with cheerleaders. It was one of my goals to attend a game and it was great to be there. NDSU won so that was awesome. It was fun!"

Pictures left to right: A look at the field, enjoying the game is Shawn Orcutt, Megan Walser, Shelby Pauley, and Randy Wyman.

VIKINGS for the WIN!!

This month Joelle Dolechek and I hopped a plane for Minneapolis to go to the Vikings game. We had great seats, here is our view. Vikings WON!

We also went to Mall of America and spent time at Rainforest Cafe, Legoland, played Blacklight Mini Golf and saw sea creatures at the aquarium. The best thing was the people cheering, music at the game and high-fiving everyone around us.

Joelle shared that the whole weekend was pure joy seeing Julia's smile radiate. A great experience!

A TRIP FOR THE CHEESEHEADS

Colin Schmidt and I headed on a road trip to see the Green Bay Packers on August 17th. We stayed in Hayward, Wisconsin which is my hometown, had breakfast with my grandma and toured the town. Colin really enjoyed this part of the trip! We headed to Green Bay that afternoon... the look on Colin's face was so priceless when he saw Lambeau Field and logos on everything.

The day of the game we had breakfast and drove around looking at all Green Bay things: green and gold houses, vehicles, and mailboxes. Street signs are the names of the players and everywhere you look people were wearing packers apparel. Colin was so excited to see that everyone else liked the same team as him. We went shopping for some new green bay gear and ate lunch at The Depot In downtown Green Bay. We headed into the stadium and went to Colin's FAVORITE STORE OF ALL TIME!! The Packers Pro Shop! Watching him look around in awe was truly the best thing ever.

He purchased a jersey, cap and trinkets like a CHEESEHEAD. We took many pictures!

After the pro shop, we looked around the stadium, took pictures in front of the Lombardi trophy, ate and went to look for our seats. While doing so, we found ourselves in the scariest/coolest elevator. It was all dark until it was time to go up and then we found out it was all glass and you could see everything around you! Our seats were a perfect view of center field. We met great people seated around us and spent the whole game cheering together. The Packers won against the Saints 20-10! It was all smiles as we drove home the next day, excited to show everyone pictures of our adventure. -Olivia Ogren, DSP

BIG WINNERS AT THE CORPORATE CUP

The Dickinson Chamber of Commerce launched the 1st ANNUAL CORPORATE CUP in August to promote team-building and fun in the workplace. The event combined friendly competition and networking opportunities among 13 local businesses as their teams went head-to-head in a variety of events including an obstacle course, kickball, tug-of-war, and water sports, all on the home field of the Badlands Big Sticks!

ABLE, Inc. had two teams participate with the highlight of the day being the trivia event when our teams competed against each other! Afterwards there was a lunch provided and awards. While we didn't take home the shiny Corporate Cup trophy, we are proud that our "ABLE to Dominate" team took 11th place and our "unbeatABLE" team tied for 13th place, taking home a medal for the Rock Bottom Award! We look forward to next year!

Pumpkin Decorating Contest!

Our ICF homes had a pumpkin decorating contest at our Dickinson office location. It was fun to see what they created! Congratulations to the people at 1153 on their big win with their candy apple pumpkin!

Shirley's Sweets

Shirley was honored to be invited to the 2022 Best Friends Mentoring Chocolate Affair on November 5th. Shirley's truffles are a well-known, delicious treat around ABLE, Inc. For this event, 150 truffles were hand crafted with meticulous detail. They looked too cute to eat!

She won over the hearts and taste buds of the guests at the event and came home with the People's Choice Award! Way to go Shirley!

YOUR VOTE COUNTS!

The HOPE self-advocacy group, along with Hillary Berg from Protection & Advocacy, hosted an event this month to bring excitement around voting. Using stencils or brushes, they painted signs and Hillary presented on important things to know about voting. North Dakota State Council on Developmental Disabilities supported this event by providing a \$300 grant for supplies. Everyone had a great time. Next HOPE meeting is CHRISTMAS BINGO on December 13th!

We broke ground on our new ICF group home in Hettinger and things are moving along! The Adams County Record shared the exciting news as many in that area are looking forward to seeing progress as this foundation becomes a new home to people we support.

CELEBRATING CAROLYNNE

The team at Repeat Outlet recently gifted Carolynne Jones a quilt that says "Thank you for being such an important piece of our story." Carolynne retired from ABLE, Inc. this past January after 40 years of supporting people in SW North Dakota.

LEADERSHIP DICKINSON

Recently Tyler Gress challenged the thoughts of the Leadership Dickinson group. Using his eyes to activate his Tobii speech device, he posed this question to them: "Do you think that I can be a leader?"

Leadership Dickinson is an 8-month Chamber of Commerce program that helps develop high school seniors into community-minded business and civic leaders of tomorrow. Through group experiences, they develop community awareness, volunteerism and leadership skills. As Tyler showed them around his home and educated them on living with a disability and what ABLE, Inc. does to support people, they realized that there was much more to consider with disability services. The discussion held that day was certainly impactful as the students learned that people can lead in many different ways.

STOP IN TO SEE WHAT'S NEW

Exciting things are happening at the TRex Plaza! Decades and ABLE Used Furniture have moved to their new locations. Our new store ABLEtoCelebrate is bringing joy to all who love the holiday season.
